

CARMEN
CERAMIC ART

Technical characteristics report

Serial: GRUNGE

Size: 7.5x30

Dry pressed ceramic tiles for interior walls. Group: BIII

Norm: UNE-EN 14411

Name, Test	European norm	Value
Size, thickness, side straightness, flatness, orthogonality	UNE-EN 14411	It accomplishes all requirements
Water absorption capacity	EN ISO 10545-03	>10%
Flexion resistance	EN ISO 10545-04	> 15 N/mm ²
Hardness degree, method MOHS	UNE 67-101-92	>3
Resistance to acids (high and low concentrations)	EN ISO 10545-13	GLA and GHA
Resistance to alkalis (high and low concentrations)	EN ISO 10545-13	GLA and GHA
Resistance to cleaning products	EN ISO 10545-13	GA
Resistance to chemical products to swimming pool water	EN ISO 10545-13	GA
Stains resistance	EN ISO 10545-14	5
